After Folk Week

For anyone who's in Whitby this autumn there will be singarounds at the Rifle Club on September 10th, October 8th & November 12th. Sunday afternoons 15:00 - 17:00. These are normally run by Janie & Rob but while they are off on their travels local folk heroes will take the reins.

Remember to rebook your accommodation for **2024** and your Extra Early Bird Tickets at the Festival Office.
